Sell online with ease.  
Unlock new sales opportunities.  
Grow your revenue.

OnRent Go<sup>®</sup> eCommerce<sup>®</sup>

## Make more hires by selling online easily:

### eCommerce for OnRent Go

Garage eCommerce empowers equipment rental businesses to build a professional online presence with ease. Our platform helps you sell products and services online, reach more customers, and reduce operational overhead.

With intuitive tools and seamless integration into OnRent Go, you can focus on what you do best while eCommerce drives sales in the background.

- + **Improve warehouse visibility and stock accuracy:**  
Launch a fully branded online store and attract buyers beyond emails and phone calls.
- + **Reduce wasted time and unnecessary movement:**  
Get started for a fraction of the cost with no hidden fees or complex contracts.
- + **Increase utilisation of parts and resources:**  
Offer seamless browsing, purchasing, and payment experiences that build trust and drive repeat business.

## Create a smooth Hire Experience

OnRent eCommerce helps hire businesses create a better digital experience without changing how their operational processes work.

- + **Customers can request hires online.**
- + **Your team stays in control of fulfilment.**
- + **Everyone works more efficiently.**

# Built for Hire Businesses

Unlike generic sales platforms, eCommerce is purpose-built for seamless integration into OnRent Go.

It's designed around how modern businesses operate.

Every feature is tailored to help hire businesses sell more, serve better, and scale faster.

## Simplify Transactions, Boost Revenue

Enable customers to order online anytime with effortless self-service, reducing admin and accelerating growth.

## Frictionless integrated payments

Let customers pay how they want either online, pay-by-link, or on account. Fewer barriers, faster checkouts.

## Customisable homepage & communication

Create a unique web portal with your text, banners, and documents. Customers can contact you easier using the feedback tab.

## Build trust with reviews

Collect and display Google reviews automatically to win first-time buyers and repeat business.

## Reach more customers

Boost your online visibility with SEO so new customers can easily discover and order from your business.

## Instant invoicing, zero hassle

Every online order creates an invoice automatically. No manual entry. No delays.

## Sell more. Grow your revenue
